## Grand Knight's Message

Worthy Brothers,

As we go through the last couple of weeks in this fraternal year, I feel it is appropriate to take a moment or two to look back at all the amazing things we've done this year.

For our Faith programs we have led the way with our Rosary program that has maintained a solid attendance each month. We participated in the Catholic Men's Conference and we've supported virtually every ministry within the parish. We have also provided support to several seminarians as part of the RSVP program. Under our Life programs we've led the way in delivering food to Rooms at the Inn and Sanctuary House and have supported various March for Life, Life Chain and other pro life initiatives.

In Community we've supported the local Boy Scout troop, handed out over 200 coats in our Coats for Kids program and just awarded our talented 8<sup>th</sup> grade winners of our annual Essay contest. We've had pancake breakfasts, our Fish Fry and supported other various programs for our parish and community families.

We have also provided financial support to three very worthy programs via our LAMB program. Finally we've welcomed 13 new members to our Council this year. A pretty busy year when one stops to think about it. We have our slate of Officers for 2023-2024 elected and our budget approved. We are ready to jump in full force into the new fraternal year. As usual, nothing stops moving. There is always more work to be done.

It has been an honor and privilege to have served this year as your Grand Knight and I look forward to working alongside all of you in the next fraternal year. I can't say enough how much it is appreciated all the work that you do and all the work we will continue to do.

Vivat Jesus,

Charles Cheney GK

### Into the Breach

### The Breach In The Church

In the past two decades, more than 14 million Catholics have left the faith. In the face of these losses, Catholic men are called to put aside any hesitation to live a life of mission. We must enter into the breach.

### Called to Conversion

Christ calls us to a life of continued formation so that, with grace, we can seriously engage the war for our souls. That's why the Knights have produced Into the Breach, a video series inspired by Bishop Thomas J. Olmsted's apostolic exhortation of the same name.

### Ready for Battle

Prepare yourself for the spiritual battle raging around you. To step into the breach requires every man to have faith and take action. The Into the Breach series challenges men to seek greatness and to be heroically virtuous, to have a character marked by goodness and truth, strength and courage.

### Building a Brotherhood

"Iron sharpens iron, and one man sharpens another" (Proverbs 27:17). Through shared experience and small group discussion, men build a brotherhood through Into the Breach, strengthening them in their mission as disciples.

### Into the Breach at St. Pius X

Join us as we watch and discuss Into the Breach. Through small group discussions, we'll learn how to be stronger fathers, better husbands and men fit for the breach. This program has been set up by the Knights of Columbus but is open to all - men and women. There will be **12 sessions** on Tuesday evenings beginning June 6 through August 29 from 7:00 - 9:00 pm (no session on July 4). There is no cost for this event.

## Field Agent Report

2023 06 Council Meeting Message

When June rolls around a couple of things come to my mind: grilling and graduations. Now these two things don't seem to have much in common. In fact, some may say they have nothing at all in common. It simply illustrates how amusingly my mind works.

How's that for a segue? From grilling to graduations! The end of the school year means graduations. Some, from the lowest educational levels...all the way to the highest. At whatever level you may fall, or your child may fall, I offer hearty congratulations! Graduating may mean moving up one more grade level or for some who are at the end of the educational journey, it might mean a step into a new career. Or maybe advancing in an already established career. Graduating has as a natural consequence, a moving on, taking the next step. Carefully preparing for a career, taking stock of talents and newfound knowledge, thinking of the impact your career may have on your family and the greater community; the graduate is ready!

I think of the work I do with my members and their families in the same way: getting you to graduate at the top of your class; well-prepared, knowledgeable, setting a course with impact for your family. Sitting down with me for a consultation starts the preparation. We can take stock of where you are and any recent changes in your situation with our state of the art financial needs analysis program. The end result is to help make sure you and your family are prepared: Prepared for the expected and the unexpected. The expected might be a comfortable retirement with adequate income to do the things you've always wanted to do. Being prepared for the unexpected is important, too: an untimely loss, an extended care event, a disability. Understanding the impact of having a strategy now is the first step in preparation.

I'll be calling soon to set up a time to get together a make sure you're set to graduate at the top of your class!

Vivat Jesus!

## Faith in Action—Life

I found myself in May concentrating on a part of PICKUP-PANDROPOFF that I should have been working on. But a year ago I got sidetracked to getting us into a new area that several of us saw a need for...Sanctuary House.

It seemed like a good idea at the time and certainly it is. Helping a local group that specializes in working with severely mentally challenged people is a good thing and we placed several Knights and Hibernians collecting from nine Starbucks and one Food Lion a week.

Somehow, the idea of collecting and driving for food to feed the 40 some a day who go to the Sanctuary House fit the needs of our men to be charitable in a real way. So the good news is that we are now delivering all of our Starbucks to Room at the Inn to their delight and our

men are delighted that they are back to picking up and dropping off on a regular basis. We have a total of 25 places that we pick up from and are in our fourth year of doing that.

This year also saw us get into Backpack Beginnings so we are delivering 125 lunches every Thursday to Cone and Bluford Schools. It is a true hunger program and maybe next school year we can expand into more schools. I would like to know who has an hour and a half on Thursdays to drive from motor mile on Wendover to a Guilford County school.

We are feeding 40 people a day at Room at the Inn and that many at Sanctuary House with that one Food Lion.

I'd like to thank all of the men who have participated in this endeavor for the past four years. The Lord puts smiles on their faces while they work for Him.

Vivat Jesus!

Jim Furman
