## Grand Knight Report

Worthy Brothers, We are well into the Lent season and we have still had so much going on during that time.

We finished up a fantastic weekend just a couple of weeks ago with our annual fish fry making its comeback after having to cancel it last year. We served over 346 plates of food in just 3 hours time. It was crazy to see the people lined up out the door waiting for their food. It seemed at one point we might never see the line slow down.

Many thanks to everyone who participated and helped out with the event. More thanks to those who couldn't help but showed up to support anyways. It was terrific to see so many people coming out.

Then we followed up with another successful pancake breakfast to end that same weekend. Again we had a great turnout and a great crew to run the event. We even managed to find time to try and talk to a number of gentlemen and are working to recruit them to be new members.

As we now turn the corner and look forward to Easter we've still got more going on. We have a financial planning night coming up on March 31. All parishioners are invited but we really hope many of our brothers and their wives will consider attending. We're still lending

support as ushers for the Masses. We have a need for volunteers for most of the Masses taking place Easter week. And, in the midst of all of this we are looking to wrap up a lot of our activities and document them before our State convention in May.

Our activity never really ends but we are so fortunate that many of you have turned out to support all that needs to be done. It seems we really have turned the corner on all the pandemic stuff and things really are getting back to normal again.

Even though this seems to be the case I will caution that we still need to be vigilant for threats to ourselves and our families. I recently had myself in quarantine due to someone close to my wife and I who had tested positive and was quite sick. Fortunately they are recovering well and we managed to stay negative. It is a reminder that life goes on but things can change in a heartbeat.

We will continue to carry on all the activities that we do as a Council to support our community and parish but we'll do so with the due diligence and planning that will continue to be needed to keep everyone safe.

It has been a tremendous honor to work alongside many of you as we do what we do and I thank everyone for all of your

efforts. I look forward as always to seeing where we go in the future. Thank you for all you do.

Vivat Jesus,  
Charles Cheney GK

## District Deputy's Report

Did you know there are NO required programs this year? That's right. Supreme reduced the required Programs due to the pandemic. This enables you to reach the Star Council Award (approximately \$500-\$1500) more easily than ever before.

Faith in Action Programs feature 4 key program categories: Faith, Family, Community and Life.

Supreme has recommended programs that help men live out their commitment to their Catholic faith and their desire to serve family, parish and community.

To reach the Star Council Award you must complete at least 4 program points in each of the 4 categories. That's 16 all together. Your Councils have Directors for each of the 4 categories. Your Directors, with the help of Council Officers, will make sure your Council completes the required 16 programs.

There are 33 Council programs recommended by Supreme. Your council is encouraged to implement any program(s) that will help make a difference in your parish and community. The recommended programs can be found here:

<https://www.kofc.org/en/resources/faith-in-action-programs/overview/10581-faith-in-action-faq.pdf>

Fortunately, Supreme has given you a short cut to the Star Award: 16 FEATURED Programs. When your council conducts a FEATURED Program and satisfies the associated requirements, it receives 2 points towards that program category, cutting in half your work toward the Star Award.

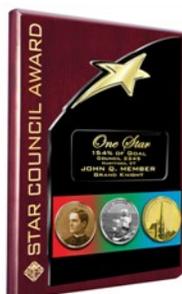

The Featured Programs are: RSVP, Into the Breach, Spiritual Reflection, Holy Hour, Food for Families, Family of the Month/Year, Family Prayer Night, Family Fully Alive, Coats for Kids, Global Wheelchair Mission, Habitat for Humanity, Leave No Neighbor Behind, March for Life, Special Olympics, Pregnancy Center Support and Ultrasound Program.

The Featured Programs can be found at this link: <https://www.kofc.org/en/resources/faith-in-action-programs/overview/10746-fia-council-requirements.pdf>

Most of you will already complete several Featured Programs this Fraternal year: RSVP, Food for Families, Coats for Kids, Marches for Life, Pregnancy Center Support, etc.

You can learn more about the Faith in Action program model, including answers to frequently asked questions, by visiting: <https://www.kofc.org/faithinaction>

If you are interested in working on any of these programs, contact your Grand Knight, Deputy Grand Knight or Program Directors. John Joyce, DD#24

## Membership

Our council is just 3 new members short to make our goal for Star Council. With all the great works of Charity, Unity, and Fraternity our council exhibits, we should be able to get the needed members to meet our goal.

Ask someone today! Use the QR code to the left to register them as an online new member. Be sure to use the McGivney2020 code for one year of free membership.

What better gift could you give to an eligible man over 18 years than membership? It enables the opportunity to become better Catholic through the works of the knights. Keep in mind our number one mission is Charity.

## First Sunday Rosary

On the first Sunday of each month, the Knights lead the saying of the Rosary to Mary in the Chapel of the church after the 9:00 am Mass.

The Rosary has grown from a handful of people to having to bring extra chairs into the Chapel for seating.

This is a great time to reflect and ask Our Blessed Mother to intercede with her Son Our Lord Jesus Christ to bring peace to the world.

## The Lenten Fish Fry was a huge success!

The council was able to serve over 346 meals many ask take-out. We served until the food ran out. Many had to be turned away because of the great turn-out.

A BIG Thanks to all who help pull this event off. It has been two years since our last fish fry. And the group still has it.

We also thank all the parishioners who can out to support our efforts.
