Grand Knight's Message

Worthy Brothers, Happy New Year and welcome to the second half of our fraternal year. Typically over the years many people have made resolutions to try to do new and better things in the New Year. They vow to lose weight or do a better job saving money or improve things with their job, maybe even find a new job. I've never been particularly fond of making resolutions knowing full well that many folks make these resolutions but aren't able to follow through with them for lots of reasons. Unfortunately at the same time we also continue to hear non-stop talk about Covid-19 and the variants of it that are out there. Frankly it would be real easy and has even been suggested to a certain degree that we should kind of shut things down again and wait for things

to "get better". Instead I'm going to go against my usual vow to not make any resolutions for the New Year and make one to continue to push on with the work we've been doing as a Council. We've accomplished quite a bit and I think some of our best work is still to come. It should be recognized the need to use some precautions in order to keep everyone safe but with those precautions in place we can still carry out our mission as Catholic men to faithfully serve our families, parish and community. As we move quickly towards the Lent season and Easter there are going to be events taking place that will provide plenty of opportunities for Knights to set the example by taking the lead and being involved. Look to our website and other communications about

these events. We can do great things if many hands get involved. We can do what we need to provide safe means of carrying out our mission. I ask you to prayerfully give consideration as I have to joining us in continuing our never-ending mission. In a time where many resolutions will be made and then quickly broken not to be thought of again to next year I'm asking you to make a resolution with me to get involved and stay involved in carrying on. Will you join me in this resolution?

Thank you for all you do,

Charles Cheney GK

Monthly Rosary

The knights on the first Sunday of the month lead the faithful saying the rosary.

The service is said after the 9:00 AM Mass. Everyone is encouraged to join.

Each month the attendance is growing. Everyone has a chance to actively participate in saying a decade of the rosary.

More than ever in these uncertain time, our country needs the intercession of the Blessed Mother.

Pancake Breakfast

The monthly parish pancake breakfast is back.

They occur on the second Sunday of each month after the 9 AM Mass.

This is a great time to get to know your fellow parishioners in an informal setting with someone else doing the cooking and dishes.

Teams have been formed. There is two teams presently rotating from month to month. This does not stress out the members having to cook and serve every month.

If you would like to be on a team contact Ed Calouri at 336-707-2475 or email ecalouri@triad.rr.com

Knights of Columbus Field Agent Report

Of course the new year brings us to...making resolutions. That is a good thing! All of us want to resolve to do those things that will lead to happier, healthier lives.

Some of the most common resolutions are to lose weight, get in shape and exercise more. Others resolve to stop smoking.

If you think about the spiritual, many New Year's resolutions concern having a more centered prayer life or receiving the sacraments more often for those who feel comfortable attending Mass. Many of my friends think more about quality time...quality time spent with their family and friends; those that are most important in their lives.

As you think about family, one resolution I can help you keep is to update your Family Service Record and take stock of your financial goals. Are you where you want to be? Do you have a plan? We have a brand new tool to use to help analyze your financial needs; Profiles Professional. With this tool you can see if there are any gaps in your plan and how close you are to achieving your goals and aspirations.

And with the pandemic, many are taking stock of what they have, to protect those they love. If your company offers some insurance, do you know how much, for how long and is it taxable? I can help sort that out. Long term care insurance protects those assets you've worked so hard all your life to accumulate. Don't deplete all your savings for a care event when the Knights can take on that risk. With all the concern about market volatility and the health of Social Security, our fixed rate annuities guarantee a minimum interest rate for life, a company investment strategy based on Catholic teaching and an income stream you cannot outlive.

What's most important to you and your family? There is no cookie cutter answer. That's why I meet with members and their spouses...and we can meet virtually over the computer (if that's what you prefer)...to first determine what issues are of most concern to you. From there I can help analyze where you are in relation to your goals and develop a strategy to get you where you want to go.

As your field agent I'm a brother taking care of brothers and their families. Resolve today to meet with me and ensure that at the end of this New Year, you will be closer to your goals.

Vivat Jesus!
