## Grand Knight Message

Worthy Brothers,

As I sit here writing this I realize we are already half way through the Fraternal year. Reflecting upon all that has been happening in our world over the last year or two it is impossible to not think about all the craziness that has been unleashed upon us. The world in essence shut down for so long and yet we as a Council have managed to stay active and keep doing the things needed to help not only our parish but community at large. As has been made known by many over these many months, we stand as an example to be followed by all. I mentioned during our recent Christmas party that if you look at everything that goes on in the parish it is a fairly safe bet that someone from the Knights is involved helping out if not multiple brothers. That is quite a powerful thought when you consider all the various ministries existing in our parish.

By the time this message comes out we will have already celebrated the Christmas season. I hope this Christmas holiday was a great one filled with happy memories spent with family and friends. Now as we turn to the New Year and the second half of our Fraternal year I remind everyone that we still have much work to be done. I'd like to encourage you to look to get involved moving forward. Look to the calendar of events posted on our website for opportunities for you to help out. We currently have a State raffle under way. Each of you should have received tickets. Please consider selling these tickets or purchasing them yourself. Half of the money from each ticket stays with our council and that money goes a long way towards helping the various causes we are asked to assist.

Finally I urge you to look around you at various friends or fellow parishioners whom you think might make a great candidate to be a Knight. We need these folks in order to continue growing our Council.

It is easy as ever to sign them up to be a member and as we all know, many hands make for light work. I challenged everyone with my first Grand Knight's message that we needed to either get busy living or get busy dying. You have answered that challenge with a solid "get busy living" attitude and I am immensely grateful for your response. I look forward to seeing all the great things we will do in this New Year and it will all be due to your incredible dedication and charity. Thank you for everything you have done so far and everything you will do moving forward.

Vivat Jesus,

Charles Cheney GK

The knights on the first Sunday of the month lead the faithful saying the rosary.

The service is said after the 9:00 AM Mass. Everyone is encouraged to join.

Each month the attendance is growing. Everyone has a chance to actively participate in saying a decade of the rosary.

More than ever in these uncertain time, our country needs the intercession of the Blessed Mother.

## Pancake Breakfast

The monthly parish pancake breakfast is back.

They occur on the second Sunday of each month after the 9 AM Mass.

This is a great time to get to know your fellow parishioners in an informal setting with someone else doing the cook-

ing and dishes.

Teams have been formed. There is two teams presently rotating from month to month. This does not stress out the members having to cook and serve every month.

If you would like to be on a team contact Ed Calouri at

336-707-2475 or email [ecalouri@triad.rr.com](mailto:ecalouri@triad.rr.com)

## District Deputy Report

Advent is the best time of year, as we await our Savior's rebirth.

I hope you were getting ready for the rebirth of Christ into your lives. To prepare Jeanine and I went to Confession. Then to increase our prayer life, we said the rosary more often, and we sent our family Luke's gospel description of Mary's visit to Elizabeth, the announcement of the birth of Jesus, and Mary's prayer of thanksgiving. We are preparing the way for the rebirth of Jesus into our family.

It helped us look with Hope to our blessings at Christmas and to be thankful for another new year.

I was blessed to act as St Nicholas at our SPX Little Town of Bethlehem celebration. Talk about Hope... Meeting all those children who told me what they hoped for at Christmas, allowed me to see the hope they were taught in their own families. God bless their parents.

Our Knights Christmas party was terrific. What a wonderful celebration of our Hope for the new year.

As we participated in these great events, we were finally able to meet and be with so many people. Perhaps the length of time we have all been apart, has helped us appreciate our time together even more. Spending time with our brothers and other parishioners helped us celebrate our Brotherhood in Christ.

People are needing community and needing support of one another. May we continue to be open to all our programs and church activities as they are needed now more than ever.

Recently, I read something I'd like to share. "We are the stones of faith that keep it strong, solid, and stable. Not just the Knights themselves, but our marriages, our participation in the sacraments and our commitment to live Holy lives."

Our history of being both charitable and united in action places us in a very prominent place.

Whichever way you want to look at the end of the year and the coming of our Savior, either as new beginning or joyful ending, we are grateful and blessed.

Challenged, yet again, to carry on such great traditions that began by a simple parish priest on his way to sainthood.

Driven to care for those less fortunate, those forgotten ones, as this time of year helps us to look up and see Christ everywhere.

May your lives slow down so you can grow closer to one another, and then be the light you were created to be.

## Happy New Year! Welcome 2022!

Of course the new year brings us to...making resolutions. That is a good thing! All of us want to resolve to do those things that will lead to happier, healthier lives.

Some of the most common resolutions are to lose weight, get in shape and exercise more. Others resolve to stop smoking.

If you think about the spiritual, many New Year's resolutions concern having a more centered prayer life or receiving the sacraments more often for those who feel comfortable attending Mass. Many of my friends think more about quality time...quality time spent with their family and friends; those that are most important in their lives.

As you think about family, one resolution I can help you keep is to update your Family Service Record and take stock of your financial goals. Are you where you want to be? Do you have a plan? We have a brand new tool to use to help analyze your financial needs; Profiles Professional. With this tool you can see if there are any gaps in your plan and how close you are to achieving your goals and aspirations.

And with the pandemic, many are taking stock of what they have, to protect those they love. If your company offers some insurance, do you know how much, for how long and is it taxable? I can help sort that out. Long term care insurance protects those assets you've worked so hard all your life to accumulate. Don't deplete all your savings for a care event when the Knights can take on that risk. With all the concern about market volatility and the health of Social Security, our fixed rate annuities guarantee a minimum interest rate for life, a company investment strategy based on Catholic teaching and an income stream you cannot outlive.

What's most important to you and your family? There is no cookie cutter answer. That's why I meet with members and their spouses...and we can meet virtually over the computer (if that's what you prefer)...to first determine what issues are of most concern to you. From there I can help analyze where you are in relation to your goals and develop a strategy to get you where you want to go.

As your field agent I'm a brother taking care of brothers and their families. Resolve today to meet with me and ensure that at the end of this New Year, you will be closer to your goals.

Vivat Jesus!
