March 2021

Lead Story Headline

Worthy Brothers, I will be in contact with the office staff and Monsignor Marcaccio this week to coordinate the following:

Beginning immediately, we will have a section in each weekly church bulletin, dedicated to the Knights and their need for “A Few Dedicated Catholic Gentlemen” to join our Brotherhood, outlining some of the worthwhile programs that we are involved in and suggesting that any interest be directed to our Program Director and Grand Knight.

We will also use this space to publicize whatever monthly event we will be focusing on that month, on our newly-scheduled “Knight’s Day”, the third weekend of each month, either a Saturday or a Sunday, that we will dedicate to Knight’s

functions. Pancake brunch, food drive, parish cleanup, senior parishioners assistance, fishing outing, blood drives, softball games, coffee and doughnuts, etc. are examples of what these recruiting/retention events might be.

Difficult though it may be, we need to strive to maintain the unity of our council by keeping in touch with each other via phone, email and text, and to reach out to all of our Catholic brothers to present the opportunity to join our ranks in the Knights. Also, please feel free to offer suggestions for activities to take place on the “Knight’s Day” each month, keeping in mind our primary goals of charity and unity.

Vivat Jesus,
Brian Harvey

**Just
ask!**

Why Did You Become A Knight? Becoming a Knight can transform your life. As a Knight you have the opportunity to support your parish and give back to your community.

We are a band of brothers. A network of men dedicated to performing charity in the service of God and our neighbors. Knights are men who get things done volunteering our time and talents to serve our parish and community.

How can you help a relative, coworker or neighbor become a better Catholic? By being their sponsor, invite them to join the Knights Of Columbus.

Tell him about the FREE Online Membership for one (1) year, for any new Brother who joins Online by June 30, 2021. Invite him to visit

www.kofc.org/join and use promo code: MCGIVNEY2020

After you get the new Online Brother into our Council, invite him to the NEW On-Demand Exemplification. Invite a new Brother to use this link to view the Exemplification.

<https://videos.kofc.org/exemplification>

Make sure your candidate reports his exemplification viewing. Councils must file a Form 100 for all candidates who complete the online exemplification. This is best done in Member Management by our Financial Secretary. This will get

him transferred from being an Online member, into our Council.

Does our Council have existing Online Brothers waiting for you to ask them to join our Council? For help finding them, contact DD John Joyce at DD24@kofcnc.org

Commemorative Medallions will be awarded to every Brother, who recruits 5 or more members during the 2020-2021 fraternal year. If you have any questions, please call DD John Joyce at 336-814-5005.

Council Meeting message

March brings thoughts of spring. For some, it's time to begin Daylight Savings Time; a little more sunlight into the evenings as the days become longer. For those in the north, it means looking forward to the thaw after winter. For some it is welcome relief after months of frigid temperatures, howling winds and heavy snow. Some in the south, who enjoy the milder winters, now realize again that after spring, a hot summer ensues.

Spring also brings thoughts of spring cleaning. After being cooped up all winter, it's traditional in many households to do that deep cleaning all throughout the house. That means washing down walls and moving furniture to clean behind pieces that haven't seen the light of day since last year's cleaning. It means taking down and washing drapes and curtains; windows are washed inside and out. (Thank goodness for modern tilt windows that mean no time outside in the chillier weather.) This is a time when the whole family is expected to pitch in and my "Honey Do" list gets longer and longer. (Personally, I'm the window washing guy.) In days gone by when most everyone had a coal fired furnace, a winter of closed windows meant the walls needed a good washing. With gas, electric and hot water boilers there's less of a need to wash walls, but for some, it's still a tradition. Spring is a time of renewal and revival.

While you're getting rid of all the old cobwebs of winter and freshening the house, now is a great time to do some sprucing up with a fresh look at your family's financial security.

As your Knights of Columbus Field Agent I've been trained to help you through that important exercise. Sit down with me for a free financial needs analysis using our Profiles+ Forecaster platform. I'll take the time to gather information from you, ask about your wants, needs and desires, and put together any recommendations to help you meet those needs.

With a wide range of products; life insurance, long-term care insurance, disability income insurance and retirement annuities, I can help you plan for your family's financial security now and for many years to come. All with the safety and security of dealing with a company that shares your faith and beliefs and invests in accordance with Church teaching. Be sure to ask about the new life insurance product, the Protector NLG Universal Life. It may be a fit for your particular needs.

Get ready for spring, get your home freshened up and make sure your financial house is spruced up. It's an easy and friendly visit from me, a brother Knight.

Vivat Jesus!
