## Grand Knights Message

The Easter season presented our council the opportunity to continue the long-standing tradition of giving each of the RCIA candidates a set of rosary beads to commemorate their becoming members of the Catholic Church. This year, we made an extra effort to include a carry bag which was made of muslin fabric and very reminiscent of something which would have been used in the times of Jesus, Mary and Joseph.

The rosaries themselves are handcrafted in Bethlehem using real olive tree wood, and actually contain a small bit of soil from Jerusalem in the center medallion. We had them blessed by Deacon Bob, and gave them to the participants at the rehearsal for their ceremony on April 3 (Holy Saturday).

Along with the rosaries, which included a card from our council, they received a short history of the Knights and who we are and what we do within our church and the community, and an invitation to look into the organization and to reach out to any of us if they had any questions or interest in joining. Everyone was most appreciative and receptive to our gift.

And again another tradition for the Knights, we will present rosaries to all of the First Communicants coming up on May 4th and 6th in advance of their receiving communion on Saturday the 8th.

Happy Easter and God Bless,  
Brian Harvey

## District Deputy Report

Who are the Knights of Columbus? We are Catholic men who lead, serve, protect and defend. We share a desire to be better husbands, fathers, sons, neighbors and role models, and to put charity and community first.

The Knights of Columbus were established in 1882 by Father Michael J. McGivney, assistant pastor of St. Mary's Church in New Haven, CT, and a group of parishioners. Their intent? To bring financial aid and assistance to widows, orphans, the sick, disabled and needy members and their families.

To live out our principles, our Faith In Action programs are in Faith, Family, Community, and Life. We act on them in a spirit of fraternity and brotherhood to live out Christ's commandments.

Love of neighbor starts at home, so trust Knights of Columbus Field Agents and Asset Advisors to help you and your family pursue your financial goals using a wealth of Investment and Insurance products that suit your life and your faith.

Since 1882, membership in the Knights of Columbus has been open to men 18 years of age or older who are "practical" (that is, practicing) Catholics in union with the Holy See. Since that time, the Knights of Columbus has understood "practical catholic" to mean a Catholic who accepts the teaching authority of the Catholic Church on matters of faith and morals, aspires to live in accordance with the Precepts of the Catholic Church, and is in good standing in the Catholic Church.

Our Brother Knights thrive in their faith with the guidance of our Chaplin Monsignor Anthony Marcaccio, and the assistance of our Deacons Bob Morris and Phil Cooper. Providentially, we welcome Deacon Rich Pinto to our parish. All Brother Knights should say hello to Deacon Pinto. Let's welcome him personally into our parish.

The Knights of Columbus have great faith formation resources. Through our web portal, knights.net, email newsletter, and the digital Catholic information service library, we get access to e-books, videos, and prayer guides to help us grow in our faith.

Our faith information resources cover topics from how to pray the rosary, to how to interact with media and technology as a Catholic. Where ever you are in your faith journey, you'll have the spiritual and personal weapons you need to live in today's world as a Catholic man. Taking up this challenge with your fraternal brothers, makes it so much easier.

God bless you and your family. Please help us bring new members into our Council, so we can help them too.

## Council Elections

As this fraternal year draws to a close, it is time to choose a slate of officers for the next. Last year's election was for a term of two years. This means the officers elected for last year will be nominated to continue for the coming fraternal year of 2021-2022. The only exception will be the vacancy of the office of advocate. The slate of officers will be read at the MAY MEETING. Voting will take place During the June Meeting.

Here is an article about how the govt is our partner in an IRA... It's not an Individual Retirement ACCOUNT but an ARRANGEMENT.

Now that tax day is behind us for most of us, I wanted to share with you a great article about the one investment vehicle that a lot of us have bought into, namely the "IRA". See if your investment advisor passes the test. Its an arrangement meaning the government is your partner. I have had several partners over my business career and every single one of them wanted their share (and rightfully so) when we cashed out. The government is no different.

Enjoy,
