Dear Mr. Kulla and the Knights of Columbus,

On behalf of the entire school community, I want to thank you for providing the funds so that we were able to now have an integrated key card system for both the main building and the new DeJoy Primary Education Building. With your funding we are now able to have a secure

We want to also thank you for funding and providing the labor to change the outdoor access from keys to key cards - what an improvement that is!! We are so appreciative of your support and help! The Holy Family Prayer Program began August 4 at the 133rd Supreme Convention in Philadelphia. This program features an image of the Holy Family. Each Knights of Columbus jurisdiction received several Holy Family images, which will be the centerpiece of prayer services conducted in churches and council meeting places throughout the Order for the duration of the program.

The Holy Family Prayer Program is the 17th Marian Prayer Program sponsored by the Knights of Columbus, beginning with the first program - honoring Mary under her title of Our Lady of Guadalupe - in 1979. In preparation for the 1982 Centennial of the Order, the second prayer program was initiated, which highlighted the Holy Family. Since then, the Blessed Mother has been honored by her Knights under her titles of Our Lady of Perpetual Help, Our Lady of Czestochowa, Our Lady of Pochoiv, Our Lady of the Assumption, Our Lady of the Rosary and Our Lady of Charity.

These Orderwide programs of Marian Prayer have gathered together more than 16 million people at some 140,000 prayer services conducted at local councils and parishes.

District Deputy John Joyce is pictured presenting the Icon to St. Pius X Seniors Ministry Leader Shelley Kreber.

Raising Awareness About Life Insurance

Each September since 2003 has been designated as Life Insurance Awareness Month. Like most awareness-raising campaigns, Life Insurance Awareness Month was created because there is an overwhelming lack of understanding of life insurance, its uses, its benefits, and its variations among the general public. Each year, the Life Insurance Market Research Association (LIMRA) puts out the results from a recent survey, and unfortunately, the numbers they report continue to be discouraging.

A recent survey found that more than 75 percent of people polled did not have a personal financial advisor, even though 68 percent of them said their opinion of the current economic conditions was somewhat unfavorable or very unfavorable.

In other words, a majority of those surveyed were uncomfortable with the economy and the uncertainty it brings, yet they did not seek professional assistance. Maybe they spoke with their friends and family? Maybe they hoped the instability would go away on its own? Maybe they did not know to whom to turn?

If you fall into this category, please remember that as a member of the Knights of Columbus, you have a full-time, professional agent you can call your own. My primary responsibility is the care and service of your family's financial future; planning, life insurance, retirement and long-term care needs. I'll answer your questions because I want your decisions to be informed ones. I want to help. Brother Knights helping brother Knights and their families!!

Another LIMRA statistic said 43 percent of people did not buy life insurance because they worry about "making the wrong decision." Talk with me, your field agent, and, afterwards, you'll understand that the only wrong decision was not getting together sooner to protect your family's future.

May God bless
