## Grand Knights Message

Worthy Brothers,

Beginning today, and 6 days per week for the next 40 days, if you need to find me at 8 am I will be praying on the sidewalk in front of Midori Express Japanese restaurant on Randleman Road in Greensboro. Why, you may ask? Because today is the start of the worldwide 40 Days For Life prayer campaign to end abortion, and because, tucked back in behind this unassuming eatery and its neighboring tire shop is A Woman's Choice,

Greensboro's only abortion facility.

This will be my 4th year participating in the 40 Days campaign, and even though it is not an official Knight's activity, there have been a number of our fellow brother Knights who have come down and prayed the Rosary and Divine Mercy chaplet in defense of the unborn and their mothers along with me. This is in no way a confrontational ministry, intending to harass or intimidate anyone, but rather is a quiet and yet very public way to respectfully implore Mary's help and God's mercy on all those who support and seek abortion as the solution to an unwanted pregnancy.

There is a mobile ultrasound unit on site every day that the facility is open, one from the Pregnancy Care Network, which was initially purchased by the Knights, and another that comes up from Thomasville several days per week. These offer expectant mothers who

come to the facility for an abortion something that the abortion facility will NOT do; the opportunity to actually see the baby that is growing inside their womb. In many cases, this is what changes the mother's mind about having the baby aborted.

If the holy Spirit so moves you, please come down to 2421 Randleman Road, Monday through Saturday for the next 40 days at 8 am, rain or shine, and join us in sending up a few prayers for these babies, their parents, and even for the misguided folks who are a part of the evil of the abortion industry in the world today. Trust me, God is listening.

God Bless and Vivat Jesus,  
Brian Harvey

The knights on the first Sunday of the month lead the faithful saying the rosary.

The service is said after the 9:00 AM Mass. Everyone is encouraged to join.

Each month the attendance is growing. Everyone has a chance to actively participate in saying a decade of the rosary.

More than ever in these uncertain time, our country needs the intercession of the Blessed Mother.

## District Deputy Report

### Retention of Brother Knights

We are Catholic gentlemen who have sworn Oaths to God, our Pope, Bishops, Priests and Religious to remain the Strong Right Arm of Holy Mother Church. We acclaim our faith to Her. Through the power of the Rosary and prayer we find the strength to remain true and loyal sons.

Personal Contact is Key

Every Knight deserves the dignity and consideration afforded by our Order. It is important that every member feel he is needed, important, involved and contributing.

Through our personal contact efforts to retain current members, as well as recruiting new ones, we will keep our Order strong and growing.

In Luke 15:3-7, Christ gives His parable of the lost sheep, and in John 10:1-17, Matthew 9:36 and Mark 6:34, Jesus explains His role as Shepherd. In John 21:15-17, Jesus transfers the shepherding of his flock to Peter, the cornerstone of His Holy Catholic Apostolic Church.

If we Brother Knights are to be Apostles like Peter, we must be willing to shepherd the Brother Knights in our Order.

We need to call each Brother at least once per quarter. In this way all our Brothers can be a close part of the Church and the Knights of Columbus.

We need Worthy Shepherds to preserve our membership and seek our Brothers, especially those who have lost their way.

Let us thank our Retention Chairman and committee for fulfilling their roles as worthy Shepherds and staying in touch with our lost sheep.

If you would like to join them and help find our lost sheep, call  
John Joyce 336-814-5005

## *LTC Is an Important Piece of the Puzzle*

There are many financial consultants and retirement authorities who emphasize the need for a long-term care (LTC) product for estate preservation and family protection. While many commercial life insurance companies have gotten out of the long-term care business, the Knights of Columbus considers LTC a very important piece of the family protection puzzle. The Order has been actively offering our members this product for nearly 15 years without a premium increase on current policyholders. Members who wisely purchased an LTC plan from the Knights in 2000 are still paying the same premiums today. Even better, our LTC coverage is backed by the full strength of the Order, which remains rooted in our strong Catholic values. Talk about stability when it counts.

If we have not spoken about your need for LTC coverage in your family portfolio, please take some time out of your schedule to meet with me.

Remember, long-term care policies are underwritten based on your health, and you most likely will never be any healthier than you are today.
